By participating in this live blood session masterclass you will take blood samples from colleagues and in doing so you also need to consent to having blood taken from yourself. This will be limited to a maximum of three blood draws (unless by mutual consent).

Disclaimer:

By signing this disclaimer I hereby consent to my fellow trainee phlebotomists taking blood samples from my arm(s) during this live blood session.

I understand that by consenting to live blood draws there is a possibility that I will experience some bruising (haematomas) at or close to the venepuncture site.
